Care Chemicals

Based on our current knowledge of our production process and equipment used, we do not expect any impurities, which can be considered as substances of very high concern (SVHC) listed on the so-called candidate list according to Art. 59.1 of the REACH Regulation (Regulation No. (EC) 1907/2006 as amended) or on Annex XIV of the REACH Regulation to be present in the product at a concentration of 0.1% or more.

This confirmation expires in case of changes of the candidate list, Annex XIV or any underlying provision of the REACH Regulation and in any case no later than 18 months from the date of issue. Please ask for a new confirmation if needed
